

Currency Crisis Case Study Worksheet

Instructions

Choose a real-world example of a currency crisis (such as Zimbabwe, Venezuela, or Weimar Germany).

Research what happened and answer the following questions based on your findings. You may use articles, videos, or credible online sources.

Case Study Country: _____

1. What caused the currency crisis?

(Write your answer below)

2. How did the crisis affect everyday people?

(Write your answer below)

3. How did people try to protect their money or survive?

(Write your answer below)

4. What lessons can we learn from this event?

(Write your answer below)

Optional Reflection

If something like this happened in your country, how would it affect your life, your family, or your plans for the future?
