

Types of Money Comparison Chart

Instructions

Fill in the chart below by comparing four types of money: Barter, Gold, Fiat Currency (like the U.S. Dollar), and Bitcoin. For each row, write what you know or observe about how that type of money works, what gives it value, its strengths, and its weaknesses.

Comparison Chart

Type of Money	What It Is	What Gives It Value	Strengths	Weaknesses
Barter				
Gold				
Fiat Currency				
Bitcoin				

Discussion Prompt

After completing the chart, discuss or reflect on the following question:
Which type of money do you think will be most useful in the future, and why?
